This Saturday is the **New York Super Craft Beer Festival** – one of the summer's best waterfront beer festivals – at Watermark Bar on Pier 15 on the East River. Guests will enjoy tasting over 75 super craft beers from some of New York State's best local breweries, in the perfect backdrop of breathtaking views of the Brooklyn Bridge and downtown NYC that Watermark Bar has to offer. The New York Super Craft Beer Festival will focus on the emerging and exciting New York craft beer scene, and below is more information on the event and participating breweries for your reference.

Union Beer Distributors and Merchant's Hospitality's Watermark Bar bring beer lovers over 75 super craft beers from local breweries such as SixPoint, Great South Bay, Bronx Brewery, Blue Point Brewing Company, Naked Flock and more. All 3,500 square feet of Watermark Bar's waterfront property on Pier 15 will feature various food vendors, including food from Watermark Bar's menu, and live music for the ultimate festival you won't want to miss!
